Firm Foundation of Pa., Inc., was incorporated in 1998 as a Christian Community Development Corp. and has 501(c)(3) nonprofit status with the Internal Revenue Service. Our mission is to foster revitalization within the lives and environments of the Capital Region through economic empowerment, restorative justice initiatives, housing improvement, educational enrichments, and community advocacy.

◆ **Christian Community Development:** Firm Foundation strives to institute a wholistic approach to Christian Community Development. We value Church-based ministry, evangelism and social action as equally important partners, incarnational grass-roots movements, and the pursuit of justice and peace (shalom).

◆ **Learning Organization:** Firm Foundation strives to be a Learning Organization which builds upon the core disciplines of Systemic Action/Thought, Personal Mastery, Mental Models, Shared Vision, and Team Learning. We attempt to systemically analyze community dynamics and steer away from unintended negative consequences.

◆ **Asset-Based:** We strive to utilize an asset-based approach that leverages the community's capacity rather than continuously highlighting the community's "needs" and "deficits."

◆ **Collaborative Capacity Building:** As called upon by the faith-based community, Firm Foundation will serve as an intermediary for collaborative faith-based community development efforts, building capacity and serving as a conduit for investment in our community.

Firm Foundation of Pa.'s official registration and financial information may be obtained from the Pa. Department of State by calling toll free 1-800-732-0999. Registration does not imply endorsement.
